Dear Commissioners,

I hope you are well.

I want to tell you about my experience at Colorado Kids Ranch. I have had many wonderful experiences there. They treat all the kids with kindness and care. They meet all the needs for the kids at the camps and make sure they are always in a safe and in a positive environment. All of the employees there are so kind, compassionate, and really have a heart for their work and do it well. The owners were so kind and respectful to my family. They help working parents by providing a fun and safe environment for their kids. I know this is a good and honest source of income for the owners and I, along with other members of the community, are very glad that this place is an option in our community.

Thank you for your time and consideration,
Ava Cross
