Hello all,

Thank you so much for your service to the people of El Paso County. You are valued and appreciated for your time and efforts to ensure we have a thriving and balanced city.

Recently it came to my attention that there was a challenge for a dear, local business, Colorado Pumpkin Patch and the neighborhood access to their business. I believe it is vital to support their access to Hwy 105 to keep this wonderful service to children up and down the front range. Fall is such a special time of year and it's important for children and their families to be able to participate in such fun activities as visiting a pumpkin patch. In addition to the other wonderful services to families Colorado Pumpkin Patch provides. I understand the challenges you face in public safety and traffic flow but I beg you to please rule in favor of Colorado Pumpkin Patch and granting them an access point without severe traffic limitations to Hwy 105 in order for them to continue to serve our community.

Thank you for your time and consideration.
