We are writing to request that you not shut down the CO Pumpkin patch. We, and so many people we know in the area, look forward to going to the pumpkin patch each year. The Chapman family is such a kind family that does such an amazing thing for the community. It's a place where the whole family can be together. We have lived in Monument since 2006 and also own two rental properties in the Jackson Creek area. We feel that the CO Pumpkin patch adds much value to this area as a family friendly venue; we would be incredibly sad to see it closed down. Laura is also a real estate agent who works in this area and knows many clients who enjoy going to the pumpkin patch each year.

We appreciate you hearing us on this issue.

Kind regards,

The Kellar Family (Aaron, Laura & Taliah)
