Dear El Paso County Neighbors,

We are residents in the Canterbury Estates neighborhood in Monument, Colorado and members of the Canterbury HOA. Our neighbors, the Chapman family, own and operate the Colorado Pumpkin Patch and Kids Ranch located within our neighborhood. It has been a delight to frequently walk to the Patch and enjoy the amenities. We host friends and family from out of the area intentionally in order to coordinate with the farm's activities. We have nothing but good experiences related to the farm, and our interactions with the staff and owners have been truly a blessing to our family and friends. We also know, through our own personal experience over several seasons, that the Chapmans are authentic, good people and excellent neighbors. We believe they are an asset to our community and we would like to see this family and this family-owned business stay in our neighborhood and thrive.

Sincerely,

The Powell Family: Jeremy, Jackie, Brayden, & Kaiya (of Canterbury Estates)  
17940 Canterbury Drive, Monument, CO 80132, 805-660-2328
