Dear El Paso Commissioners,

I hope this message finds you well. I wanted to take a moment to express my heartfelt appreciation for the wonderful community resources we have in El Paso, specifically the Pumpkin Patch and Colorado Kids Ranch. As a long-time resident, I have had the privilege of enjoying these places with my family every year, and I wanted to share some of the experiences that have made them so special to us.

The Pumpkin Patch has been a cherished destination for our family every fall season. The beautiful vibrant fields, fun family activities and the joy of picking out the perfect pumpkin create lasting memories for both kids and adults alike. It's not just about the pumpkins; it's about the sense of togetherness, family traditions and the opportunity to celebrate the changing seasons.

Additionally, the Colorado Kids Ranch has been an invaluable resource for our community. Its commitment to education and engagement is evident in every visit. My children have participated in educational programs and hands-on activities that have enriched their understanding of nature and animals and hard work. The Ranch has provided a safe and educational environment for our daughters to learn and grow.

I want to commend your efforts in maintaining and improving vital community spaces. The care and dedication you put into these facilities do not go unnoticed. It's through your commitment that families like mine can continue to enjoy these wonderful experiences that enrich our lives.

Thank you for your ongoing support of the Pumpkin Patch and Colorado Kids Ranch. I look forward to many more years of creating cherished memories with my family at this incredible place.

Sincerely,

John & Julie Butterworth
