

Highway 105

Temporary Access

932'

10' utility easement

No landscaping is being proposed with this request? This is not likely to be an acceptable means to provide for a use which is harmonious and compatible with the neighborhood. Landscape buffers are required between nonresidential uses and residential zoning districts. Please review Chapter 6, Section 6.2.2 regarding landscape buffer standards and provide a submittal that meets the requirements of the Code. Staff will provide an in-depth review of the landscaping once it has been provided.

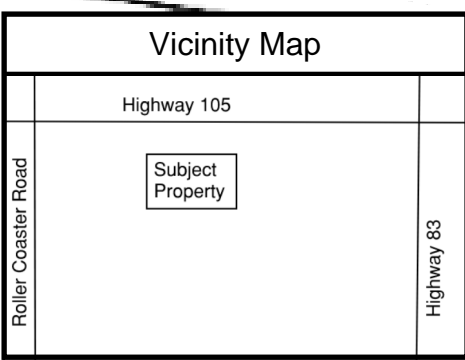

All areas not designated as access, parking, structure, or use area are native grass.

Zoning: RR-5
Lot Size: 40.52 acres

KEY

- Existing Trees
- New driveway alignment
- Six foot fence
- Four foot berm with four foot fence
- Existing Driveway to remain
- Floodplain

**NOTE: Use areas, temporary structures, and enclosures are subject to change but may not encroach into the setback line or increase in size.

Scale: 1"=150'

SPECIAL USE/VARIANCE OF USE CHECKLIST

Revised: January 2022

Special Use/Variance of Use		
Site plan shall be drawn so as to clearly provide the required information. All site plans for lots and parcels less than 2.5 acres are to be drawn to scale and include a written and graphic scale. Site plans for lots and parcels greater than 2.5 acres in size are encouraged to be drawn to scale, but are not required to be.		
Minimum Map Contents: Must contain adequate information to determine compliance of the proposed use with the LDC and ECM, as applicable. If inadequate information is provided to determine whether or not the proposed action conforms to the LDC, more information will be requested. A PUD Development Guide associated with PUD zoning, if applicable, may require additional information and/or specifications.		
The PCD Director may modify the applicable requirements, including requiring additional items or removing items, based upon the project and site-specific circumstances.		
	Applicant	PCD
NOTE: Please confirm each item below has been included by placing a check mark in the "Applicant" column. See right for an example. The "PCD" column is for office use only.		<div style="font-size: 2em; font-weight: bold;">✓</div> Office use only
Letter of Intent		
1	A discussion detailing the proposed request and compliance with the applicable requirements of the Land Development Code;	
2	The reason and justification for the request;	
3	A detailed analysis addressing each of the Criteria of Approval in Chapter 5 of the Land Development Code.	
Notification to Adjacent Property Owners		
1	Details of the request;	
2	The location, size, and zoning of the subject property;	
3	Existing and proposed improvements to the property;	
4	Waiver requests (if applicable);	
5	Contact information for the applicant(s);	
6	The applicant shall use one of the following procedures to satisfy notification standards: Mail notification by certified mail to all applicable properties. A receipt of the mailing for each address shall be included in the completed application form; or In person notification via signatures from all applicable property owners with the signature form included in the application form.	
Site Plan Map to include the following elements, as appropriate:		
1	Date, north arrow, and a graphic scale	
2	Vicinity map showing the property in relation to the surrounding area	X
3	Location of the property lines, right-of-way, and all existing and proposed easements	X
4	Dimensions of all property lines	X
5	The building footprint for all structures depicted and labeled to include the proposed use(s), floor area, and height. The setbacks of all building footprints dimensioned from all property lines. <small>There are multiple use areas and structure. The drawing is too cluttered to include all setbacks, floor areas, and heights. No new structures are proposed.</small>	X
6	Location and width of all sidewalks	NA
7	Location and height of all fences, walls, or berms	X
8	Location and dimensions of all existing and proposed signs	NA
9	Traffic circulation including all points of ingress/egress into the property	X
10	The layout and location of all off-street parking, loading and other vehicular use areas	X
11	Location of all ADA parking spaces, ramps, pathways, and signs	NA
12	Location, height and intensity of all outdoor illumination	NA
13	Location of existing and proposed water and wastewater infrastructure, including well(s) and septic system(s) <small>The seasonal use does not require permanent bathrooms. Only bottled water is sold.</small>	NA
14	Location of all no-build areas, floodplain(s), and drainage facilities	X
15	Location and screening of all dumpster(s) and loading dock areas	NA
16	Standard details of parking (compact, ADA, standard), ADA ramps, driveways, and signs	NA

Gravel parking is proposed. The site development will detail the gravel parking area. Parking areas are depicted on the plan
