Good evening everyone,

The Chapman Family has brought so many blessings into my life. I worked at the Colorado Pumpkin Patch for my first job and it was life changing. I worked on face painting for the majority of the Patch season and it brought so much joy to me. Every time I would show the kids the finished face paint in the mirror, joy would light up their faces. The Patch is so much fun for so many people. Working for the Chapmans was such a blessing because I saw true joy and happiness in action. The Patch is a great stress reliever and source of fun for parents and children alike. The Chapmans work hard and succeed to bring joy into their neighborhood and community.

Thank you
Lily Hatley
