

MAP AMENDMENT (REZONE) – PLANNED UNIT DEVELOPMENT (PUD) AND
PRELIMINARY PLAN (SP) (RECOMMEND APPROVAL)

CARLSON moved that the following Resolution be adopted:

BEFORE THE PLANNING COMMISSION

OF THE COUNTY OF EL PASO

STATE OF COLORADO

RESOLUTION NO. PUDSP232

STERLING RANCH FILING NO. 5 PUD (REZONE) & PRELIMINARY PLAN

WHEREAS, Classic SRJ Land, LLC, did file an application with the El Paso County Planning and Community Development Department for an amendment of the El Paso County Zoning Map to rezone property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference, from the RR-5 (Residential Rural) zoning district to the PUD (Planned Unit Development) zoning district with a Preliminary Plan proposing a total of 72 attached and detached single-family lots on 11.66 acres; and

WHEREAS, a public hearing was held by this Commission on February 1, 2024; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the Master Plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the El Paso County Planning Commission Members during the hearing, this Commission finds as follows:

1. The application was properly submitted for consideration by the Planning Commission;
2. Proper posting, publication, and public notice were provided as required by law for the hearing before the Planning Commission;
3. The hearing before the Planning Commission was extensive and complete, that all pertinent facts, matters, and issues were submitted and that all interested persons and the general public were heard at that hearing;
4. All exhibits were received into evidence;
5. The proposed land use does not permit the use of an area containing a commercial mineral deposit in a manner which would interfere with the present or future extraction of such deposit by an extractor;

6. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County Subdivision Regulations; and
7. For the above-stated and other reasons, the proposed amendment of the El Paso County Zoning Map is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County.

WHEREAS, the Planning Commission and Board of County Commissioners shall determine that the following criteria for approval outlined in Section 4.2.6 and Section 7.2.1 of the El Paso County Land Development Code, as amended, have been met to approve a PUD zoning district and Preliminary Plan:

1. The proposed PUD district zoning advances the stated purposes set forth in Chapter 4 of the Code.
2. The application is in general conformity with the Master Plan;
3. The proposed development is in compliance with the requirements of the Code and all applicable statutory provisions and will not otherwise be detrimental to the health, safety, or welfare of the present or future inhabitants of El Paso County;
4. The subject property is suitable for the intended uses and the use is compatible with both the existing and allowed land uses on the neighboring properties, will be in harmony and responsive with the character of the surrounding area and natural environment, and will not have a negative impact upon the existing and future development of the surrounding area;
5. The proposed development provides adequate consideration for any potentially detrimental use to use relationships (e.g. commercial use adjacent to single family use) and provides an appropriate transition or buffering between uses of differing intensities both on-site and off-site which may include innovative treatments of use to use relationships;
6. The allowed uses, bulk requirements and landscaping and buffering are appropriate to and compatible with the type of development, the surrounding neighborhood or area and the community;
7. Areas with unique or significant historical, cultural, recreational, aesthetic or natural features are preserved and incorporated into the design of the project;
8. Open spaces and trails are integrated into the development plan to serve as amenities to residents and provide reasonable walking and biking opportunities;
9. The proposed development will not overburden the capacities of existing or planned roads, utilities and other public facilities (e.g. fire protection, police protection, emergency services, and water and sanitation), and the required public services and facilities will be provided to support the development when needed;

10. The proposed development would be a benefit through the provision of interconnected open space, conservation of environmental features, aesthetic features and harmonious design, and energy efficient site design;
11. The proposed land use does not permit the use of any area containing a commercial mineral deposit in a manner which would unreasonably interfere with the present or future extraction of such deposit unless acknowledged by the mineral rights owner;
12. Any proposed exception or deviation from the requirements if the zoning resolution or the subdivision regulation is warranted by virtue of the design and amenities incorporated in the development plan and development guide; and
13. The owner has authorized the application.

WHEREAS, the applicant has also requested the proposed PUD be reviewed and considered as a Preliminary Plan, the requirements identified in Chapter 7 and Chapter 8 of the El Paso County Land Development Code, as amended, for a Preliminary Plan requires the Planning Commission and the Board of County Commissioners find that the following additional criteria for approval of a Preliminary Plan have also been met:

1. The proposed subdivision is in general conformance with the goals, objectives, and policies of the Master Plan;
2. The subdivision is consistent with the purposes of the Code;
3. The subdivision is in conformance with the subdivision design standards and any approved Sketch Plan;
4. A sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. §30-28-133(6)(a)] and the requirements of Chapter 8 of the Code;
5. A public sewage disposal system has been established and, if other methods of sewage disposal are proposed, the system complies with state and local laws and regulations, [C.R.S. §30-28-133 (6)(b)] and the requirements of Chapter 8 of the Code;
6. All areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified and the proposed subdivision is compatible with such conditions. [C.R.S. §30-28-133 (6)(c)];
7. Adequate drainage improvements complying with State law [C.R.S. §30-28-133 (3)(c)(VIII)] and the requirements of the Code and the ECM are provided by the design;
8. The location and design of the public improvements proposed in connection with the subdivision are adequate to serve the needs and mitigate the effects of the development;

9. Legal and physical access is or will be provided to all parcels by public rights-of-way or recorded easement, acceptable to the County in compliance with the Code and the ECM;
10. The proposed subdivision has established an adequate level of compatibility by (1) incorporating natural physical features into the design and providing sufficient open spaces considering the type and intensity of the subdivision; (2) incorporating site planning techniques to foster the implementation of the County's plans, and encourage a land use pattern to support a balanced transportation system, including auto, bike and pedestrian traffic, public or mass transit if appropriate, and the cost effective delivery of other services consistent with adopted plans, policies and regulations of the County; (3) incorporating physical design features in the subdivision to provide a transition between the subdivision and adjacent land uses; (4) incorporating identified environmentally sensitive areas, including but not limited to, wetlands and wildlife corridors, into the design; and (5) incorporating public facilities or infrastructure, or provisions therefore, reasonably related to the proposed subdivision so the proposed subdivision will not negatively impact the levels of service of County services and facilities;
11. Necessary services, including police and protection, recreation, utilities, open space and transportation system, are or will be available to serve the proposed subdivision;
12. The subdivision provides evidence to show that the proposed methods for fire protection comply with Chapter 6 of the Code; and
13. The proposed subdivision meets other applicable sections of Chapter 6 and 8 of the Code.

WHEREAS, a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. § 30-28-133(6)(a)] and the requirements of Chapter 8 of the Land Development Code.

NOW, THEREFORE, BE IT RESOLVED, the El Paso County Planning Commission recommends that the petition of Classic SRJ Land, LLC for an amendment to the El Paso County Zoning Map to rezone property located in the unincorporated area of El Paso County from RR-5 (Residential Rural) zoning district to PUD (Planned Unit Development) zoning district with a Preliminary Plan proposing a total of 72 attached and detached single-family lots be approved by the Board of County Commissioners with the following conditions and notations:

CONDITIONS

1. Development of the property shall be in accordance with this PUD Development Plan. Minor changes in the PUD Development Plan, including a reduction in residential density, may be approved administratively by the Director of the Planning and Community Development Department consistent with the Land Development Code. Any substantial change will require the submittal of a formal PUD Development Plan amendment application.
2. Approved land uses are those defined in the PUD Development Plan and development guide.

3. All owners of record must sign the PUD Development Plan.
4. The PUD Development Plan and Development Guide shall be recorded in the office of the El Paso County Clerk & Recorder prior to any Final Plat approvals.
5. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. The Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assigns that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the Countywide Transportation Improvement Fee Resolution (Resolution 19-471, as amended), at or prior to the time of building permit submittals. The fee obligation, if not paid at Final Plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
7. Applicant shall comply with all requirements contained in the Water Supply Review and Recommendations, as provided by the County Attorney's Office.
8. Applicable park, drainage, bridge, and traffic fees shall be paid to El Paso County Planning and Community Development at the time of Final Plat(s) recordation.

NOTATIONS

1. Subsequent Final Plat filings may be approved administratively by the Planning and Community Development Director.
2. Approval of the Preliminary Plan will expire after twenty-four (24) months unless a Final Plat has been approved and recorded or a time extension has been granted.

BE IT FURTHER RESOLVED that the Planning Commission recommends approval of the Planned Unit Development (PUD) as a Preliminary Plan of the Sterling Ranch Filing No. 5 PUD (Rezone) & Preliminary Plan Subdivision.

AND BE IT FURTHER RESOLVED that this Resolution and the recommendations contained herein be forwarded to the El Paso County Board of County Commissioners for its consideration.

Whitney seconded the adoption of the foregoing Resolution.
