Subject: RE: Approval of alternative design for AG structures needed

These appear to be used for agricultural purposes. Alternative design approved.

Craig Dossey

Subject: Approval of alternative design for AG structures needed

Property info: 15780 Connies Drive, Peyton, CO 80831
RR-5 (5 acres)

Property owner is building a new structure that will meet the design criteria. There are 3 existing AG structures that were built prior to the applicant purchasing the property that do not meet the minimum of 3 design standards. Description and pictures of the existing structures attached for your review.
