

Vicinity Location Map
6145 Templeton Gap Rd
Colorado Springs Colorado
80923

This is the Notification of Adjacent Property Owners map - Not a vicinity Map. The Vicinity Map needs to be a non-satellite imagery location map of the area that shows all roads in the area and gives a general location of where the property is. Also needs a north arrow. This is close it just needs to be zoomed out a little, show local lane, and have all the adjacent neighbor information removed.
