(719) 471-0073

JR Engineering
5475 Tech Center Dr., Ste. 235
Colorado Springs, CO 80919
(719) 593-2593

SITE LOCATION:

East of Vollmer Road / Marksheffel Road intersection in El Paso County.

REQUEST:

A request by SR Land, LLC for approval of Sterling Ranch Filing 2 roadway plans for Marksheffel Road and Sterling Ranch Road.

DESCRIPTION:

SR Land wishes to construct Marksheffel Road from its intersection with Vollmer Road to Marksheffel's intersection with Sterling Ranch Road. Marksheffel will ultimately be built to a City of Colorado Springs 4 Lane Urban Principal Arterial Cross Section. Discussions have been underway for several years between the County, City and the Developer. As part of this project it is anticipated that a Memo of Understanding will be drafted by the County Attorney memorializing the City and County's intent regarding ownership and maintenance.

A deviation is required to obtain County approvals.

Sterling Ranch Road will be constructed from its intersection with Marksheffel Road to its intersection with Dines Road. Sterling Ranch Road will ultimately be built to a County Standard Urban Non-Residential Collector.

delete "ultimately"?

JUSTIFICATION:

Construction of these two roadways will provide a southern access from the Homestead and Branding Iron developments already underway in Sterling Ranch.

Mention that a development agreement will be required if road CD approvals (Vollmer, Marksheffel, and Sterling Ranch Road) and construction begins prior to SR Filing 2.

Except from the intersection with Marksheffel Road to...
