Re: File Number: RZ-17-009 Bunting Multifamily Vacation Replat

Dear Ms. Ruiz:

The Division of Colorado Parks and Wildlife (CPW) is in receipt of the plans referencing the above project number and is familiar with the site. Based both on the location and type of action being proposed, CPW believes impacts to the wildlife resource to be negligible.

We appreciate being given the opportunity to comment. Please feel free to contact District Wildlife Manager Cody Wigner at 719-227-5287 or [cody.wigner@state.co.us](mailto:cody.wigner@state.co.us) should you have any questions or require additional information.

Sincerely,

for  
Frank McGee
