Jeff,

I cannot find the MS4 Post Construction Form on the EPC website. Can you send it to me?, or let me know where it lives?

The MS4 form that I currently have is for "...Construction Detention / Water Quality Facility...." so it does not apply for the 4-inch CSU force main construction drawings.

I left you a message earlier this morning regarding this topic.

Thanks for you help.

Kari,

Can you please remove the MS4 item from this submittal – there will be no water quality or detention facilities with this.

Thanks!

Jeff
