Subject: Kinch Minor Subdivision (MS-204)

Kylie,

The Community Services Department has reviewed Kinch Minor Subdivision and has the following preliminary comments of behalf of El Paso County Parks. This application and the following comments and recommendations will be presented to the Park Advisory Board for endorsement on April 13, 2022 and its recommendation provided after the meeting.

This is a request by Hannigan and Associates on behalf of Paul and Amy Kinch. The applicants are requesting a final plat approval for the Kinch Minor Subdivision. The site is located at 10805 Milam Rd. Colorado Springs, CO 80908 and is zoned RR-5, which it will remain. The proposed minor subdivision will divide the land into 4 properties: 3 lots of 5.0 acres each and 1 lot of 11.12 acres.

The 2013 El Paso County Parks Master Plan shows the Proposed Milam Road Secondary Regional Trail running north and south along the east side of Milam Road. The proposed trail intersects the Kinch Minor Subdivision for 30' along the extreme west side of the parcel.

County Parks requests trail easements where development projects impact proposed County trails. As it pertains to this application, the County requests that the landowner provide a 25-foot-wide public trail easement along the western boundary immediately adjacent to the public right-of-way for Milam Road that allows for the construction and maintenance by El Paso County of the Milam Road Secondary Regional Trail, and this easement shall be shown and dedicated to El Paso County on the Final Plat.

Again, this application is scheduled for El Paso County Park Advisory Board consideration on April 13th and its recommendation will be provided after the meeting.

Recommendation:

Recommend that the Planning Commission and the Board of County Commissioners include the following conditions when considering and/or approving the Kinch Minor Subdivision: (1): Designate and provide to El Paso County a 25-foot-wide trail easement along the western boundary immediately adjacent to the public right-of-way for Milam Road that allows for public access, as well as construction and maintenance by El Paso County of the Milam Road Secondary Regional Trail. (2) Require fees in lieu of land dedication for regional park purposes in the amount of \$1,840.

Sincerely,
