Proposed minor subdivision, dividing the current 29.12 acres into 4 lots. One 5 acre with existing home, two other 5 acre lots east of the current existing home as well as one 14 acre lot on the south east end of the acreage. The current zoning for this property is R5, a minimum lot size of 5 acres.

At this time we plan to sell off the two 5 acre lots east of the existing home. We plan to build a home for ourselves on the 14 acres as well as retain the current existing home on the west side of the property.

The proposed entrance to the new lots will be accessed near the east cul de sac of Sierra Ridge Trail, at the easement the County has already platted. The road will be 30' in width and approximately 500 ft in length with a turn around/cul de sac at the end, which will grant access to the 3 new lots.

Attached is the Map showing the adjacent property owners as well as the proposed development.

Sincerely,  
Paul and Amy Kinch
