Shawn McKee

RE: Stratmoor Hills Water and Sewer Service

Dear Mr. McKee,

I am sending this letter to provide you assurance that the Stratmoor Hills Water and Sanitation Districts have the capacity to provide services to the development you described West of Venetucci Blvd. between Westmark Ave. and Chamberlin Ave. The District is committed to providing water and sewer services to this location.

The existing water system would need to be extended to reach your property and looped to provide optimum water delivery.

The sewer would likely have to be pumped to our existing sanitary sewer for us to provide you service. If another alternative would meet your needs better, I would be happy to work with you on that as well.

Please let me know if you have any additional questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Kirk Medina".

Kirk Medina
District Manager
