Subject: The Gardens at North Carefree Filing No. 1 Final Plat, Review #2 (SF-19-005)

Hello Nina,

The Planning Division of the Community Services Department has reviewed The Gardens at North Carefree Filing No. 1 Final Plat, Review #2, and has no additional comments of behalf of El Paso County Parks. This application and the following recommendations were presented to and endorsed by the Park Advisory Board April 10, 2019:

"These applications are a request by Stantec on behalf of Mule Deer Investments, LLC, for approval of the Gardens at North Carefree Filing No. 1 Final Plat. An application for the creation of The Gardens at North Carefree Metropolitan District is being processed concurrently. The proposed subdivision is currently zoned as a Planned Unit Development (PUD), and is located at the intersection of North Carefree Circle and Akers Drive, west of Marksheffel Road. The proposed 11.64-acre development will include 71 single-family residential lots, with a minimum lot size of 3,150 square feet.

The 2013 El Paso County Parks Master Plan shows no impact to regional trails, parks, or open space. The proposed Marksheffel Road Bicycle Route and the City of Colorado Springs' proposed extension of the Rock Island Trail are both located approximately 0.25 mile east of the project. The project is not located within Candidate Open Space Lands.

The open space dedication proposed within The Gardens at North Carefree comprises 1.31 acres within various tracts, or 11% of the subdivision, and therefore exceeds the required open space dedication of 10%. However, the open space is comprised primarily of noncontiguous landscape tracts and buffers to surrounding properties, with no readily available recreational opportunities for residents and their guests, with 0.10-acre Tract D providing a sidewalk connection between the east and west halves of the development. The closest neighborhood parks, Remington Park and High Meadows Park, and both located approximately 0.75 mile from the project site, with no direct street or trail access.

In September 2018, the Park Advisory Board endorsed The Gardens at North Carefree PUD Preliminary Plan with the following recommendations:

“Recommend to the Planning Commission and the Board of County Commissioners that approval of The Gardens at North Carefree PUD / Preliminary Plan include the following conditions: (1) strongly recommend the establishment of a centrally-located neighborhood park to allow for outdoor recreational opportunities, and (2) fees in lieu of land dedication for regional park purposes in the amount of \$30,530 and urban park fees in the amount of \$19,312 will be required at time of the recording of the final plat. A park lands agreement may be an acceptable alternative to urban park fees provided the agreement is approved by the County and executed prior to recording the final plat.”

Soon after the Park Advisory Board endorsement, the applicant’s then-representative, NES Inc., and Parks staff discussed the recommended motion, and came to a mutual agreement that a neighborhood pocket park would not be a part of the Final Plat, due in part to the necessary reduction in residential lots should a park area be developed. Parks staff also acknowledges and confirms the applicant’s revised calculation of open space tracts within the development, as outlined in the Letter of Intent and Subdivision Summary Form, however staff remains concerned that those tracts are neither contiguous or useable, beyond their designed use as pedestrian corridors.

As no trail easements dedications are necessary for this filing, El Paso County Parks staff recommends regional and urban park fees in lieu of land dedication, to be paid at time of the recording of this Final Plat. Park fees have been updated since the endorsement of the PUD Preliminary Plan to reflect 2019 regional and urban park fees.

Recommended Motion (Final Plat):

Recommend to the Planning Commission and the Board of County Commissioners that approval of The Gardens at North Carefree Filing No. 1 Final Plat include the following condition: require fees in lieu of land dedication for regional park purposes in the amount of \$32,376 and urban park fees in the amount of \$20,448.”

Please let me know if you have any questions or concerns.

Sincerely,
