Re: Water and Sewer Service to The Gardens at North Carefree
Commitment Letter No. 2020-01 (Revision of Letter 2018-07)

Dear Heath Herber,

As requested, this document will serve as a formal Letter of Commitment from the Cherokee Metropolitan District to provide municipal water and sewer services to The Gardens at North Carefree, located at the southeast corner of Akers Drive and North Carefree Circle. The proposed location for this development is located within the District's established boundaries and therefore is eligible for service connections from the District.

Cherokee Metropolitan District staff, along with the developer, have determined that the following will be the total water demand required by this occupancy: 22.0 acre-feet per year.

This water commitment is hereby made exclusively for this specific development project at this site within the District. To confirm this commitment you must provide the District with a copy of the final plat approval from El Paso County Development Services within 12 months of the date of this letter. Otherwise, the District may use this allocation for other developments requesting a water commitment. If the subject project is re-platted, you must submit a new commitment request prior to submitting the re-plat to El Paso County, which may result in a recalculation of the water demand for the project.

If I may be of further assistance please contact me at your convenience.

Sincerely,

A handwritten signature in blue ink, which appears to read "Amy Lathen", is written over a horizontal line.

Amy Lathen
General Manager
