Subject: Rolling Ridge Estates Preliminary Plan, Residential Rezone, Commercial PUD (SP-18-001, P-18-001, PUD-18-003) REVIEW #2

Hello Gabe,

The Planning Division of the Community Services Department has reviewed the development applications for Rolling Ridge Estates Preliminary Plan, Residential Rezone, and Commercial PUD – Review #2 – and has no additional comments of behalf of El Paso County Parks. This application was presented to the Park Advisory Board on April 11, 2018, and the endorsed recommendations are as follows:

“Rolling Ridge Estates is a 16 residential lot Preliminary Plan totaling 48.84 acres, with a minimum lot size of 2.50 acres. A rezone from RR-5 to RR-2.5 is being processed concurrently for the residential lots, while a rezone from RR-5 to PUD is being processed for an additional 8.17 acres, designated as future commercial property. The property is located immediately southwest of the intersection of State Highway 83 and Hodgen Road, and is located within the Tri-Lakes Comprehensive Plan area.

The 2013 El Paso County Parks Master Plan shows no parks, trails, or open space impacted by the proposed subdivision. An existing section of the Fox Run Primary Regional Trail is located on the north side of Hodgen Road, while the proposed Hodgen Road and Highway 83 Bicycle Routes are both located immediately adjacent the property, on the north and east boundaries, respectively. Dedicated public right-of-ways already exist along the aforementioned bicycle routes, so no easement requests are necessary in those locations; however, the applicant is advised that multi-modal transportation options will be developed within the rights-of-way in the future.

Open space dedication is not required under the El Paso County Land Development Code for subdivisions that are not under PUD zoning. This applies to the residential portion of the Preliminary Plan. However, the commercial PUD portion contains 43% open space, far exceeding the 10% open

space requirement, and is comprised of drainage retention, dedicated transportation right-of-ways, and landscaped open spaces.

As no additional trail easement dedications are necessary for this filing, El Paso County Parks staff recommends fees in lieu of land for regional park purposes for the 16 residential lots. The remaining commercial lots will not be assessed fees, as the El Paso County Board of County Commissioners has not elected to require park fees on proposed commercial property.

****Recommended Motion (Preliminary Plan):***

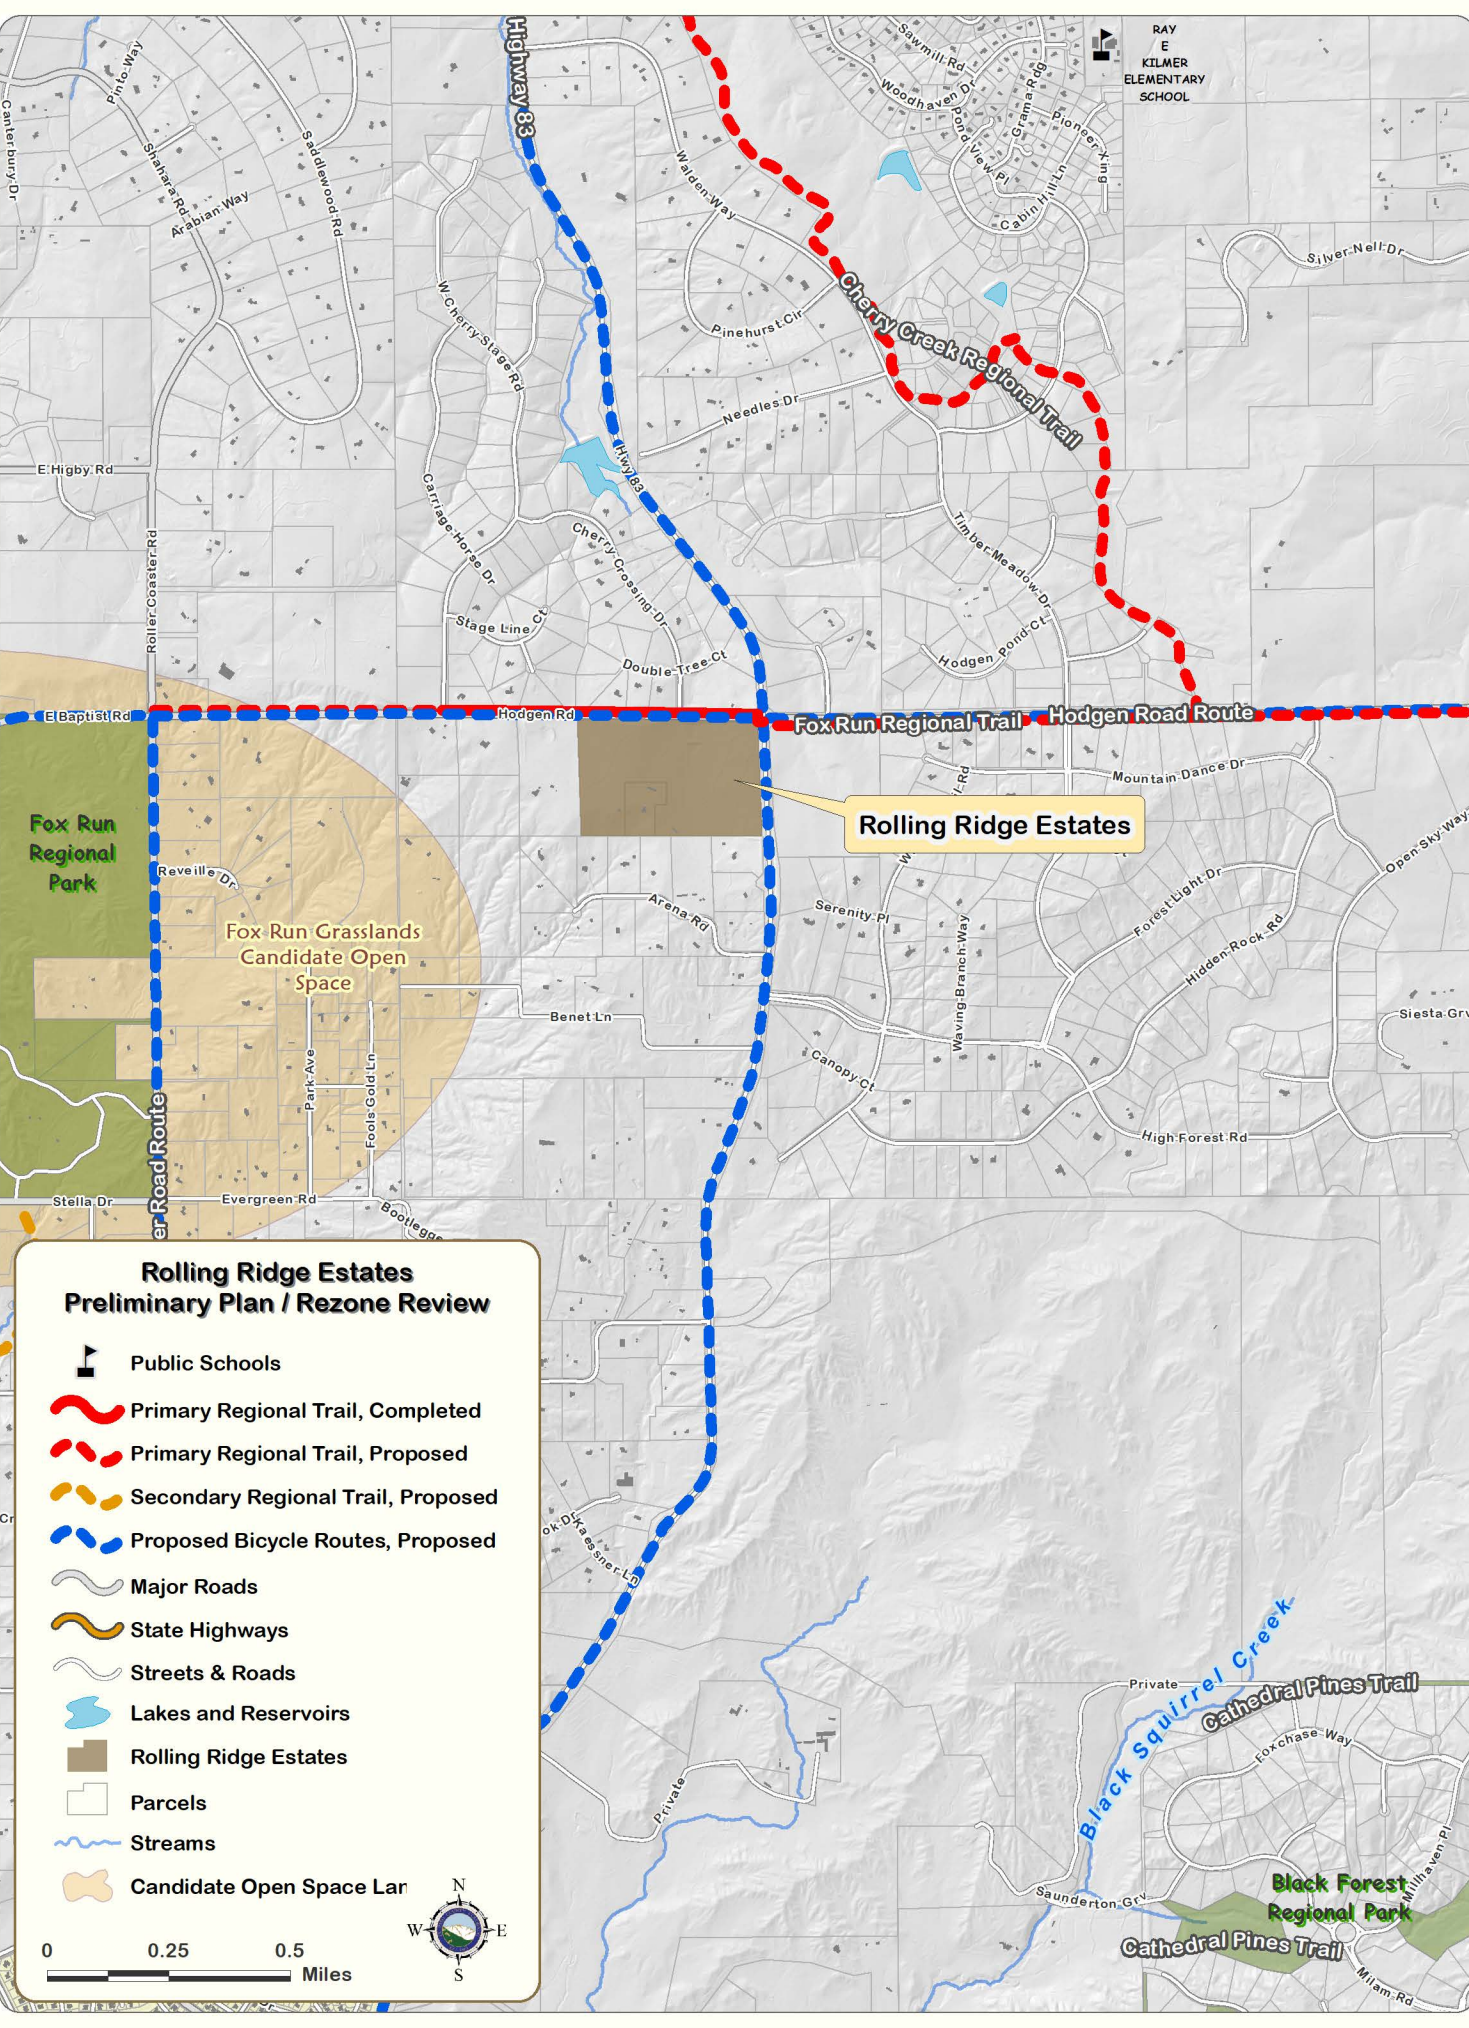

“Recommend to the Planning Commission and Board of County Commissioners that approval of the Rolling Ridge Estates Preliminary Plan include the following condition: fees in lieu of land dedication for regional park purposes in the amount of \$6,880 will be required at time of the recording of the Final Plat.”

Please let me know if you have any questions or concerns.

Sincerely,
