Subject: Lorson Ranch East Filing No. 4 Final Plat (SF-198)

Hello Kari,

The Community Services Department has reviewed the development application for Lorson Ranch East Filing No. 4 Final Plat on behalf of El Paso County Parks. The Park Advisory Board will consider the Filing No. 4 Final Plat application on June 12, 2019 and its recommendation will be provided after the meeting.

Lorson Ranch East Filing No. 4 is centrally located within the Lorson Ranch Development between Fontaine Boulevard and Lorson Boulevard. Of note, the 25-acre school site is immediately north of Filing No. 4 site boundary. The Filing No. 4 final plat totals 58.47 acres and includes 246 dwelling units on 38.47 acres, open space tract totaling 6.94 acres, and right-of-way dedication.

Open Space dedication is comprised of 9 tracts totaling 6.94 acres, or 11.86% of the site. The majority of the open space is located along the Southern Delivery System Easement or along the Mountain View Electric Association Power Line Easement. The open space tracts are in general agreement with the previously approved PUD and Preliminary Plan.

The County Parks Master Plan shows the Fontaine Boulevard Bicycle Route north of the Filing No. 4 project area along Fontaine Boulevard. This bicycle route will be accommodated within County right-of-way and installed as part of future road improvements. There are no County regional trails within Filing No. 4; however non-County trails were shown on the previously approved PUD and Preliminary Plan drawings in close proximity to Filing No. 4 and staff encourages the applicant to continue the network of non-County trails within Filing No. 4. Staff would like to note there is an opportunity to provide a non-County trail along the Southern Delivery System Easement if allowed by Colorado Springs Utilities.

The previously approved PUD and Preliminary Plan drawing included several park sites, including one site within the Filing no. 4 Final Plat site boundary. A park site was previously shown on the PUD and Preliminary drawings within what is labeled as Tract G adjacent to Yocona Drive. Please show the park site on the final plat drawings. This park site would be eligible for an urban park grant from El Paso County Parks.

Lorson Ranch East Filing No. 3 Final Plat Recommended Motion:

Recommend to the Planning Commission and Board of County Commissioners that approval of Lorson Ranch East Filing No. 4 Final Plat include the following conditions: (1) Show the park site within Tract G on the final plat drawings consistent with the previously approved PUD Development and Preliminary plan (2) require fees in lieu of land for regional purposes in the amount of \$112,176 and urban fees in the amount of \$70,848. A park lands agreement may be an acceptable alternative to urban park fees provided the agreement is approved by the County and executed prior to recording the final plat.

Please let me know if you have any questions or concerns with these comments.

Sincerely,

Jason Meyer
