### **Meridian Service Metropolitan District Filter Building, PPR-22-12**

**Please accept the following comments from El Paso County Public Health regarding the water treatment plant expansion.**

- **Meridian Service Metropolitan District will provide water and wastewater services to the site.**
- **The water plant expansion must meet the design criteria of the Colorado Department of Public Health and Environment, Water Quality Control Division (WQCD). The WQCD also must review and approve the design of the water treatment plant.**
- **Earthmoving activity more than one acre, but less than twenty-five acres, requires a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.**
