Justin,

We, the City of Fountain Fire Department will not provide a service commitment letter for the address you have provided. The property associated with the address has at one point opted out of services with the City of Fountain. The property would need to request from the City to be annexed within the city limits.

In the event of an emergency the El Paso Communications Center will dispatch the closest fire agency. Which is the City of Fountain Fire Department. State of Colorado allows a fire agency to bill for use of services. This can include, but not limited to the following:

- Fire apparatus
- Fire personnel,
- any damages or maintenance required from acts of use
- Mutual aid partners
- Water usage
- etc.

Michael Gates
Fire Marshal
Fire Department
City of Fountain | 811 N Santa Fe Ave, Fountain, CO 80817

Michael,

Thank you for calling me yesterday afternoon in regards to my request for a fire service commitment letter for 8180 Kane Rd. I want to recap what we spoke about on the phone to confirm I understand the situation correctly.

RECAP:

A service commitment letter cannot be provided for [8180 Kane Rd](#) due to the fact that the property is not annexed into The City Of Fountain CO, and previously has petitioned to remain in El Paso County. Therefore leaving the property within the service area of The City of Fountain Fire Department but outside their jurisdiction. Meaning that in the case of an emergency, The City of Fountain Fire Department will respond to the fire emergency on the property but at full cost to the property owner.

Please let me know if there is anything I missed,

Justin
