Said Lot 1 is also subject to membership in the Bridle Bit Ranch Association, Inc. Lots 2 and 3 are not subject to covenants or property owner association.

 - 2.3. Right of way granted to Mountain View Electric Association in instrument recorded July 25, 2019 at Reception No. 219085163 (applies only to Lot 1, Terra Benedetta).

 4. Mailboxes shall be installed in accordance with all El Paso County Department of Transportation and United States Postal Service regulations.
 5. No driveway shall be established unless an access permit has been granted by El Paso County.
 6. All structural foundations shall be located and designed by a Professional Engineer, currently registered in the State of Colorado. Natural drainage locations shall be avoided by construction and site-specific foundation/septic investigations shall be required.
 7. Reports regarding soils, geology and wildfire hazard mitigation for Terra Benedetta Sub. are on file at the El Paso County Planning Department. Reports and statements regarding soils, geology, water, sanitation and wildfire hazard mitigation reports for Bridle Bit Ranch Sub. are on file at the El Paso County Planning Department.
 8. Utilities: Electric service is provided by Mountain View Electric Association. Gas service is provided by Black Hills Energy. Telecommunication and internet are provided by Century Link and Stratus IQ.
 9. Sewage treatment is the responsibility of each individual property owner. The El Paso County Health Department and Environment must approve each system and, in some cases the Department may require an engineer designed system prior to permit approval.
 10. Water: Individual wells are the responsibility of each property owner. Permits for individual wells must be obtained from the State Engineer who by law has the authority to set conditions for the issuance of those permits. Per the water supply plan for BBR, Lot 1, Terra Benedetta Sub. (former Lot 10, BBR) can utilize an exempt Dawson aquifer well for domestic uses and irrigation of up to 17,000 square feet of lawn and garden, as stated on the plat of said subdivision recorded in Book L-3 at Page 20 of the records of El Paso County, CO.

10. Water Continue: Lots 2 and 3 will utilize exempt domestic Dawson aquifer wells under permit conditions established by the Division of Water Resources. 11. Water in the Denver Basin aquifers is allocated based on a 100 year aquifer life; however, for El Paso County planning purposes, water in the Denver Basin aquifers is evaluated based on a 300 year aquifer life. Applicants, the Home Owners Association (as to Lot 1) and all future owners in the subdivision should be aware that the economic life of a water supply based on wells in a given Denver Basin aquifer may be less than either the 100 years or 300 years indicated due to anticipated water level declines. Furthermore, the water supply plan should not rely solely upon nonrenewable aquifers. Alternative renewable water resources should be acquired and incorporated in a permanent water supply plan that provides future generations with a water supply.
11. Terra Benedetta Subdivision is NOT within a designated F.E.M.A. Floodplain as determined by the Flood Insurance Rate Map No. 08041C0295G, with a date of identification of December 7, 2018, for Community No. 080059, in El Paso County, State of Colorado.

Public drainage easements specifically noted on the plat shall be maintained by the individual lot owners unless otherwise indicated. Structures, fences, materials or landscaping that could impede the flow of runoff shall not be placed in drainage easements.
13. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Department of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers, the U.S. Fish & Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed threatened species.
