Re: Mayberry Filing 1 / 1A
Water and Sewer infrastructure in R.O.W.

Dear Mr. Walters,

I'm writing today to confirm that the required water and wastewater infrastructure has been installed in the El Paso County R.O.W. within the above referenced filing. This infrastructure is functioning to serve the residents thereof.

Please don't hesitate to call if you have any further questions.

Respectfully,

Jason Kvols
Vice President, EUC
