

ROCKWOOD MINOR SUBDIVISION

LOT LINE ADJUSTMENT

LETTER OF INTENT – Administrative Relief

September 6, 2017

PROPERTY OWNER/ APPLICANT:

Martin Ventures, LLC
1260 Valley Street, Unit B, Colorado Springs CO 80915
(719) 209-8254

LOCATION

The property is located southwest of the Highway 105 and Red Rock Ranch intersection. It lies directly west of the existing Red Rock Reserve Subdivision (Rec# 206712320) and lies next to the National Forest land located to the west and south. The property is currently vacant of any completed residences.

BACKGROUND

The Rockwood Minor Subdivision was unanimously approved at the August 22, 2017 El Paso Board of County Commissioners meeting. Currently, lots 1 and 2 are vacant of any structures, though Martin Ventures, LLC has begun construction on a residence located on lot 1. Martin Ventures, LLC anticipates selling lot 2 to a private party who has requested a build site on the southwest corner of lot 2 necessitating this request. Lot 3 of the Rockwood Minor Subdivision would be unaffected by this request.

REQUEST

Martin Ventures, LLC is requesting approval of its request to adjust the western and southern lot lines between lots 1 and 2 in the MS-17-002 Rockwood Minor Subdivision in order to accommodate the anticipated residential build site on lot 2 in accordance with the 8/29/2017 Amended Rockwood Minor Subdivision site plan drawing below. Currently, lot 1 is approximately 29 acres and lot 2 is approximately 5 acres. This application requests an enlargement of lot 2 from approximately 5 acres to 6.515 acres and a reduction of lot 1 from approximately 29 acres to 27.552 acres. This request does not affect lot 3 of the MS-17-002 Rockwood Minor Subdivision. This request does not require any variance or waiver in lot size as the

parcels are currently zoned RR-5 and complies in every way with the requirements of the MS-17-002 Rockwood Minor Subdivision.

The proposed changes should not be opposed by neighboring property owners, will not affect any existing right-of-way or easement and will increase the value of the area. This property is bordered by National Forest land to the west and south and is surrounded by large tracts of land approximately 40 acres in size to the north and the property to the east is currently owned by Martin Ventures, LLC. It is therefore unlikely that any adjoining neighbors will complain about this change. Further, as this request will increase the size of the smaller of the two lots affected by the proposed change (lot 2) it will not negatively impact any adjoining property, but will likely increase the value and aesthetics of the area.
