#### Background Information:

This is a request by Matrix Design Group on behalf of Aeroplaza Fountain, LLC, for approval of Paint Brush Hills Filing No. 14 Preliminary Plan and Final Plat. Paint Brush Hills, located on Londonderry Drive northwest of the intersection of Stapleton Drive and Meridian Road, is zoned RS-20000, but a large portion of the filing will be rezoned to RS-6000 to accommodate smaller lot sizes. This proposed 88.63-acre development will include 224 single-family residential lots, with a minimum lot size of 6,000 square feet. The property is within the Falcon-Peyton Small Area Master Plan and Black Forest Preservation Plan boundaries.

Paint Brush Hills Filing No. 14 falls within Tract E of Paint Brush Hills Filing No. 13E, which was endorsed by the Park Advisory Board in August 2018 and approved by the Board of County Commissioners in October 2019. At that time, Tract E was designated for future development, and the 2013 El Paso County Parks Master Plan showed impacts to both the Arroyo Lane Primary Regional Trail and the Woodmen Hills Secondary Regional Trail. As such, the following recommendation was included in the endorsement of Filing No. 13E:

*Recommend to the Planning Commission and the Board of County Commissioners that the approval of Paint Brush Hills Filing No. 13E Final Plat include the following conditions: (1) show on the Final Plat and dedicate to El Paso County a 25-foot trail easement along the entire northern boundary of Paint Brush Hills Filing No. 13E, including Tracts A, D, E, and F, that allows for public access, as well as construction and maintenance by El Paso County of the Arroyo Lane Primary Regional Trail, (2) show on the Final Plat and dedicate to El Paso County a 25-foot trail easement along the entire western boundary of Paint Brush Hills Filing No. 13E, Tract E, that allows for public access, as well as construction and maintenance by El Paso County of the Woodmen Hills Secondary Regional Trail, and (3) require fees in lieu of land dedication for regional park purposes in the amount of \$67,940.*

Since 2018, a reroute of the Woodmen Hills Secondary Regional Trail was proposed to better align with other proposed major developments in the area, including Bent Grass, The Ranch, and Sterling Ranch, all of which are located to the south or southwest of

Paint Brush Hills. The relocation of the Woodmen Hills Secondary Regional Trail removes it from Paint Brush Hills Filing No. 13E, Tract E, and subsequently from Filing No. 14. The Arroyo Lane Primary Regional Trail remains unaffected by the relocation and is therefore impacted by Filing No. 14.

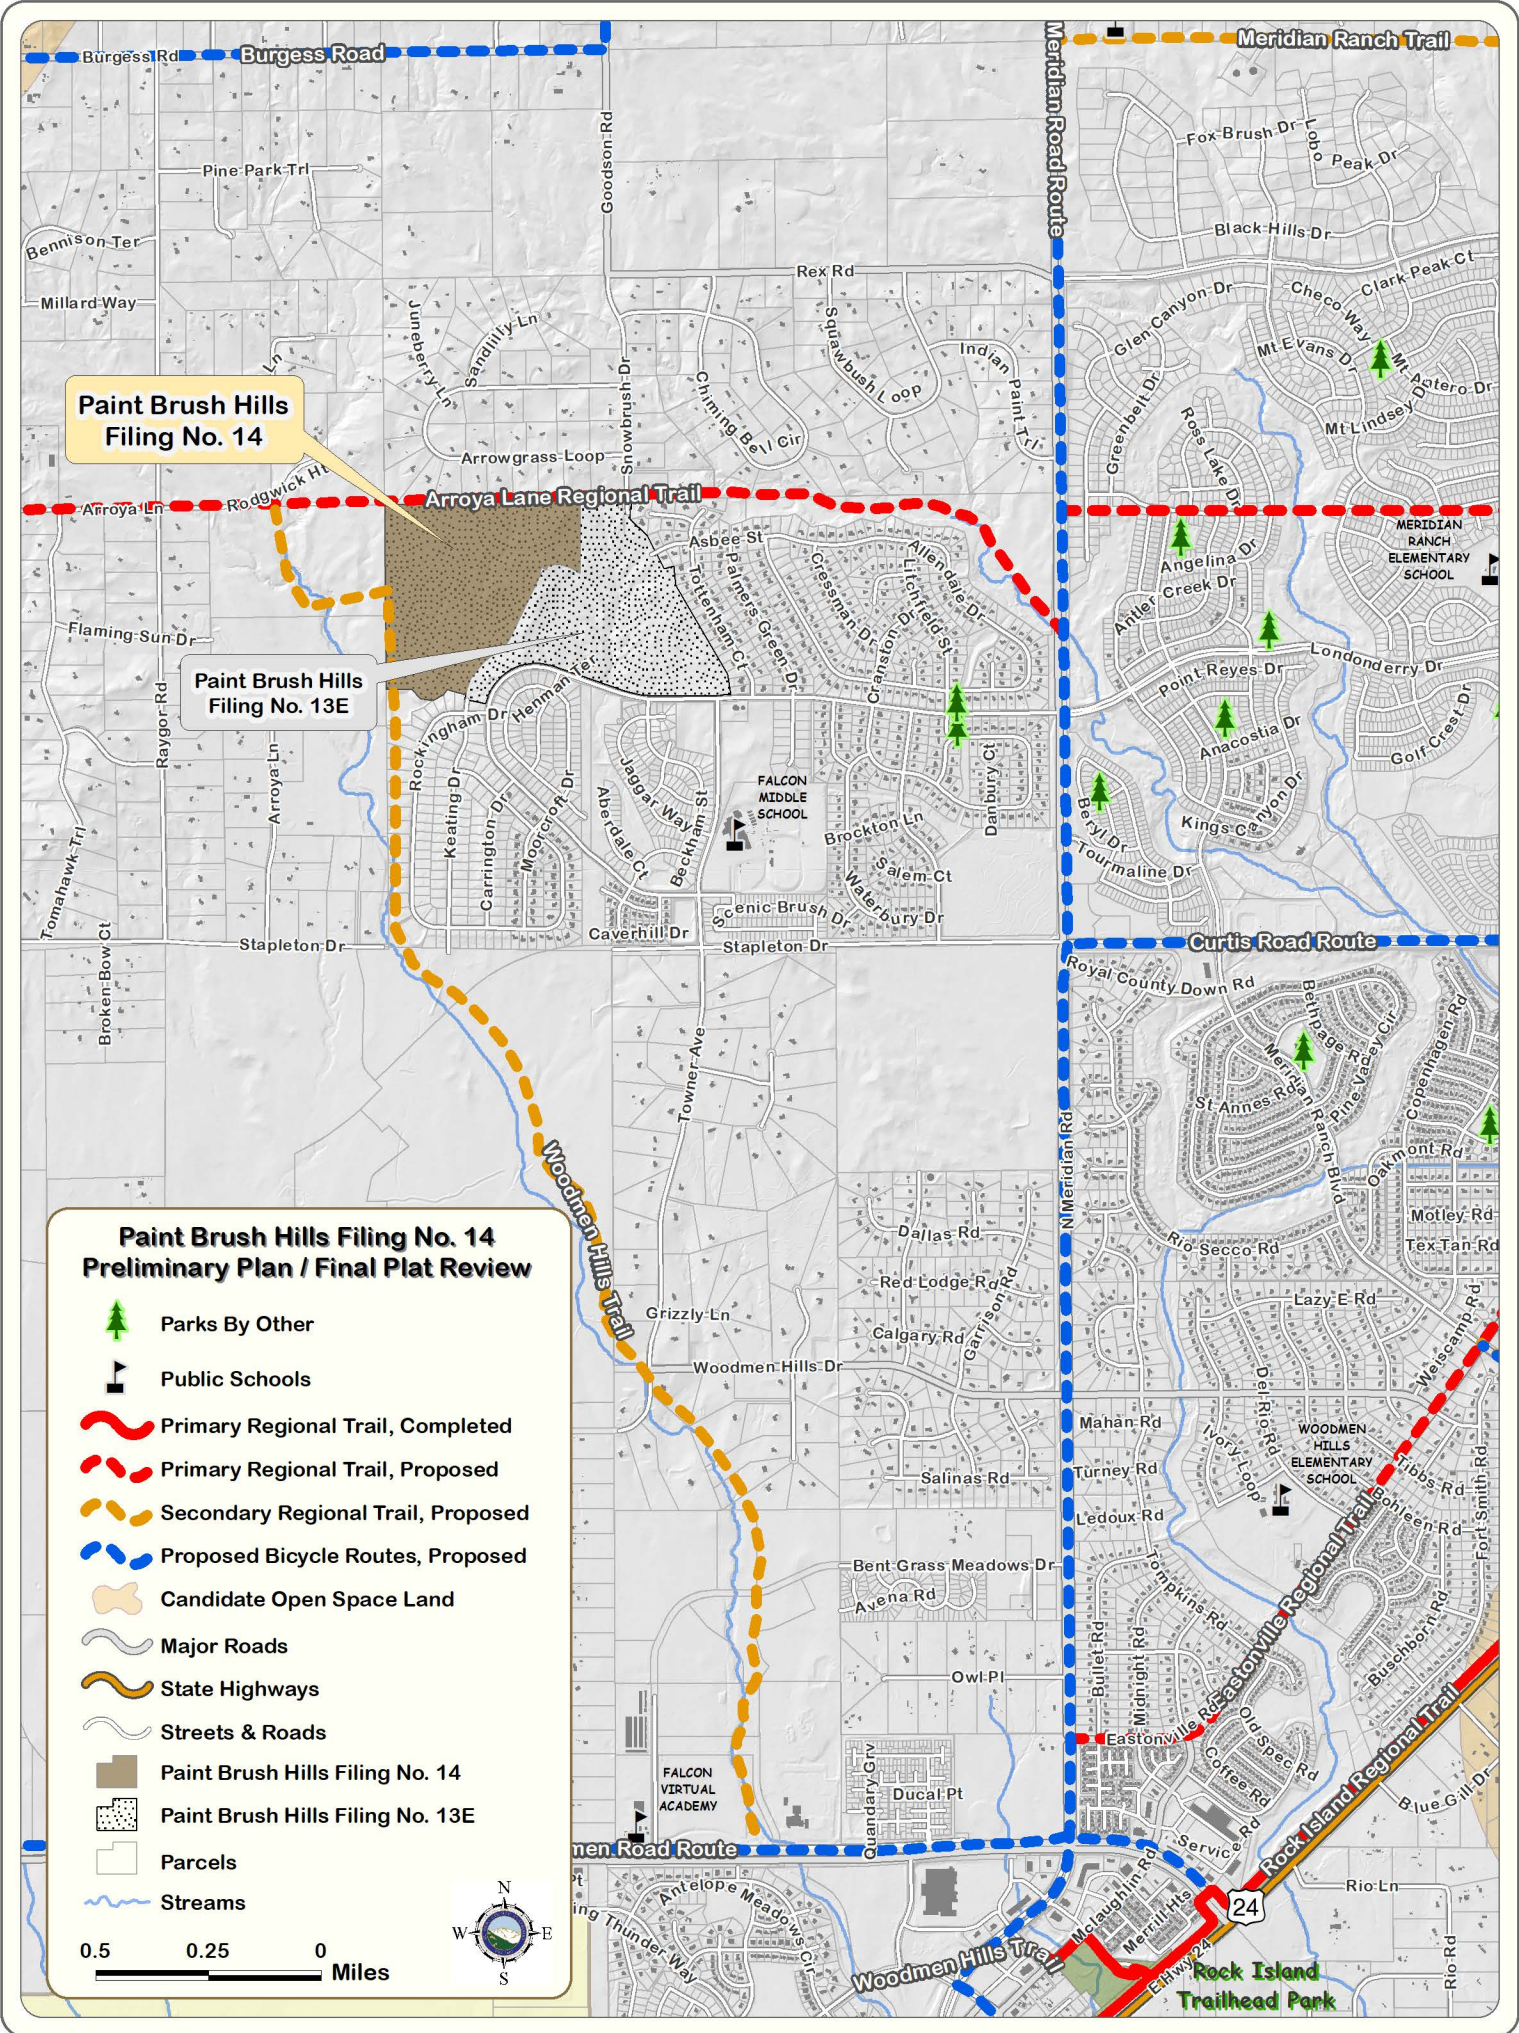

The Paint Brush Hills Filing No. 14 Final Plat drawings show a 4,930' section of a 25' regional trail easement along the northern boundary of the property, which will allow for the construction, maintenance, and public access of the Arroyo Lane Primary Regional Trail. This trail easement was added to the Filing No. 13E Final Plat prior to the approval and recording of the Final Plat. However, this trail easement is not dedicated to El Paso County in either the BoCC-approved Filing No. 13E or Filing No. 14 Final Plat General Notes, although the Filing No. 13E Final Plat drawings do indicate a dedication. While staff appreciates the inclusion of the trail easement on the Final Plat drawings, staff recommends that the applicant include language in the Final Plat General Notes that designates and provides to El Paso County a 25-foot trail easement along the northern boundary of Paint Brush Hills Filing No. 14 Final Plat, within Tract A, that allows for the construction, maintenance, and public access of the Arroyo Lane Primary Regional Trail, and dedicate the aforementioned easement to El Paso County prior to the recording of the Final Plat.

**Recommended Motion (Preliminary Plan):**

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following conditions when considering and/or approving the Paint Brush Hills Filing No. 14 Preliminary Plan: (1) include language in the Final Plat General Notes that designates and provides to El Paso County a 25-foot trail easement along the northern boundary of Paint Brush Hills Filing No. 14 Final Plat, within Tract A, that allows for the construction, maintenance, and public access of the Arroyo Lane Primary Regional Trail, and dedicate the aforementioned easement to El Paso County prior to the recording of the forthcoming Final Plat; (2) fees in lieu of land dedication for regional park purposes in the total amount of \$104,608 and urban park fees in the total amount of \$66,080 will be required at the time of the recording of the forthcoming Final Plat. A Park Lands Agreement may be an acceptable alternative to urban park fees, provided the agreement is approved by the County and executed prior to recording the forthcoming Final Plat.

**Recommended Motion: (Filing No. 14 Final Plat)**

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following conditions when considering and/or approving the Paint Brush Hills Filing No. 14 Final Plat: (1) include language in the Final Plat General Notes that designates and provides to El Paso County a 25-foot trail easement along the northern boundary of Paint Brush Hills Filing No. 14 Final Plat, within Tract A, that allows for the construction, maintenance, and public access of the Arroyo Lane Primary Regional Trail, and dedicate the aforementioned easement to El Paso County prior to the recording of the Final Plat; (2) require fees in lieu of land dedication for regional park purposes in the amount of \$104,608 and urban park fees in the amount of \$66,080.
