The following conditions and notations shall be placed upon this approval:

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The applicant shall submit the Mylar to Enumerations for addressing.

5. The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Parks and Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivision Improvements Agreement, including the Financial Assurance Estimate as approved by the ECM Administrator, shall be filed at the time of final plat recordation.
8. Collateral sufficient to ensure the public improvements as listed in the approved Financial Assurance Estimate shall be provided when at the time of final plat recordation.
9. The subdivider(s) agrees on behalf of him/herself and any successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would disclose the fee obligation before sale of the property.
10. The County Attorney's Conditions of Compliance shall be adhered to at the appropriate time.
11. Park fees in lieu of land dedication for regional parks (Area 2) in the amount of \$130,293.00 and urban park (Area 3) fees in the amount of \$82,305.00 shall be paid at time of plat recordation.
12. Drainage fees in the amount of \$1,004,807.52 and bridge fees in the amount of \$138,031.79 for the Falcon drainage basin (CHWS1400) shall be paid to El Paso County at the time of plat recordation.

13. It is noted that potentially ten (10) percent of the subdivision lots (23 lots) may have underdrain flows and/or sump pump flows anticipated to discharge onto public right-of-way. An amount of \$3000 per lot shall be included in the Financial Assurance Estimate in the amount of \$69,000.00 to mitigate and redirect the respective underdrain flows away from the public right-of-way. This assurance shall be collected at the time of final plat recordation and shall not be released until final acceptance of the overall subdivision improvements in conjunction with the Subdivision Improvements Agreement. The improvements within the subdivision will be assessed during defect warranty period and at time of final acceptance to determine if an underdrain is needed to mitigate sump pump discharge onto public ROW for individual lots. In the event that an underdrain is required, the developer shall install a drainage system.

NOTATIONS

1. Approval of the final plat will expire after twenty-four (24) months unless the final plat has been recorded or a request for extension has been granted.
2. No school fees are due upon plat recordation pursuant to a previous land dedication to benefit Falcon School District No. 49.

DONE THIS 29th day of September 2021 at Colorado Springs, Colorado.
