(PUDSP-192)**

Kari,

The Planning Division of the Community Services Department has reviewed the Sanctuary of Peace Residential Community PUD/Preliminary Plan application, and has the following preliminary comments on behalf of El Paso County Parks. This project was previously considered by the Park Advisory Board on April 17, 2019 and the following recommendation was endorsed:

“Recommend to the Planning Commission and the Board of County Commissioners that approval of Sanctuary of Peace Residential Community PUD / Preliminary Plan include the following condition: Required fees in lieu of land dedication for regional park purposes in the amount of \$11,856 and urban park fees in the amount of \$7,488 will be required at time of the recording of the final plat.”

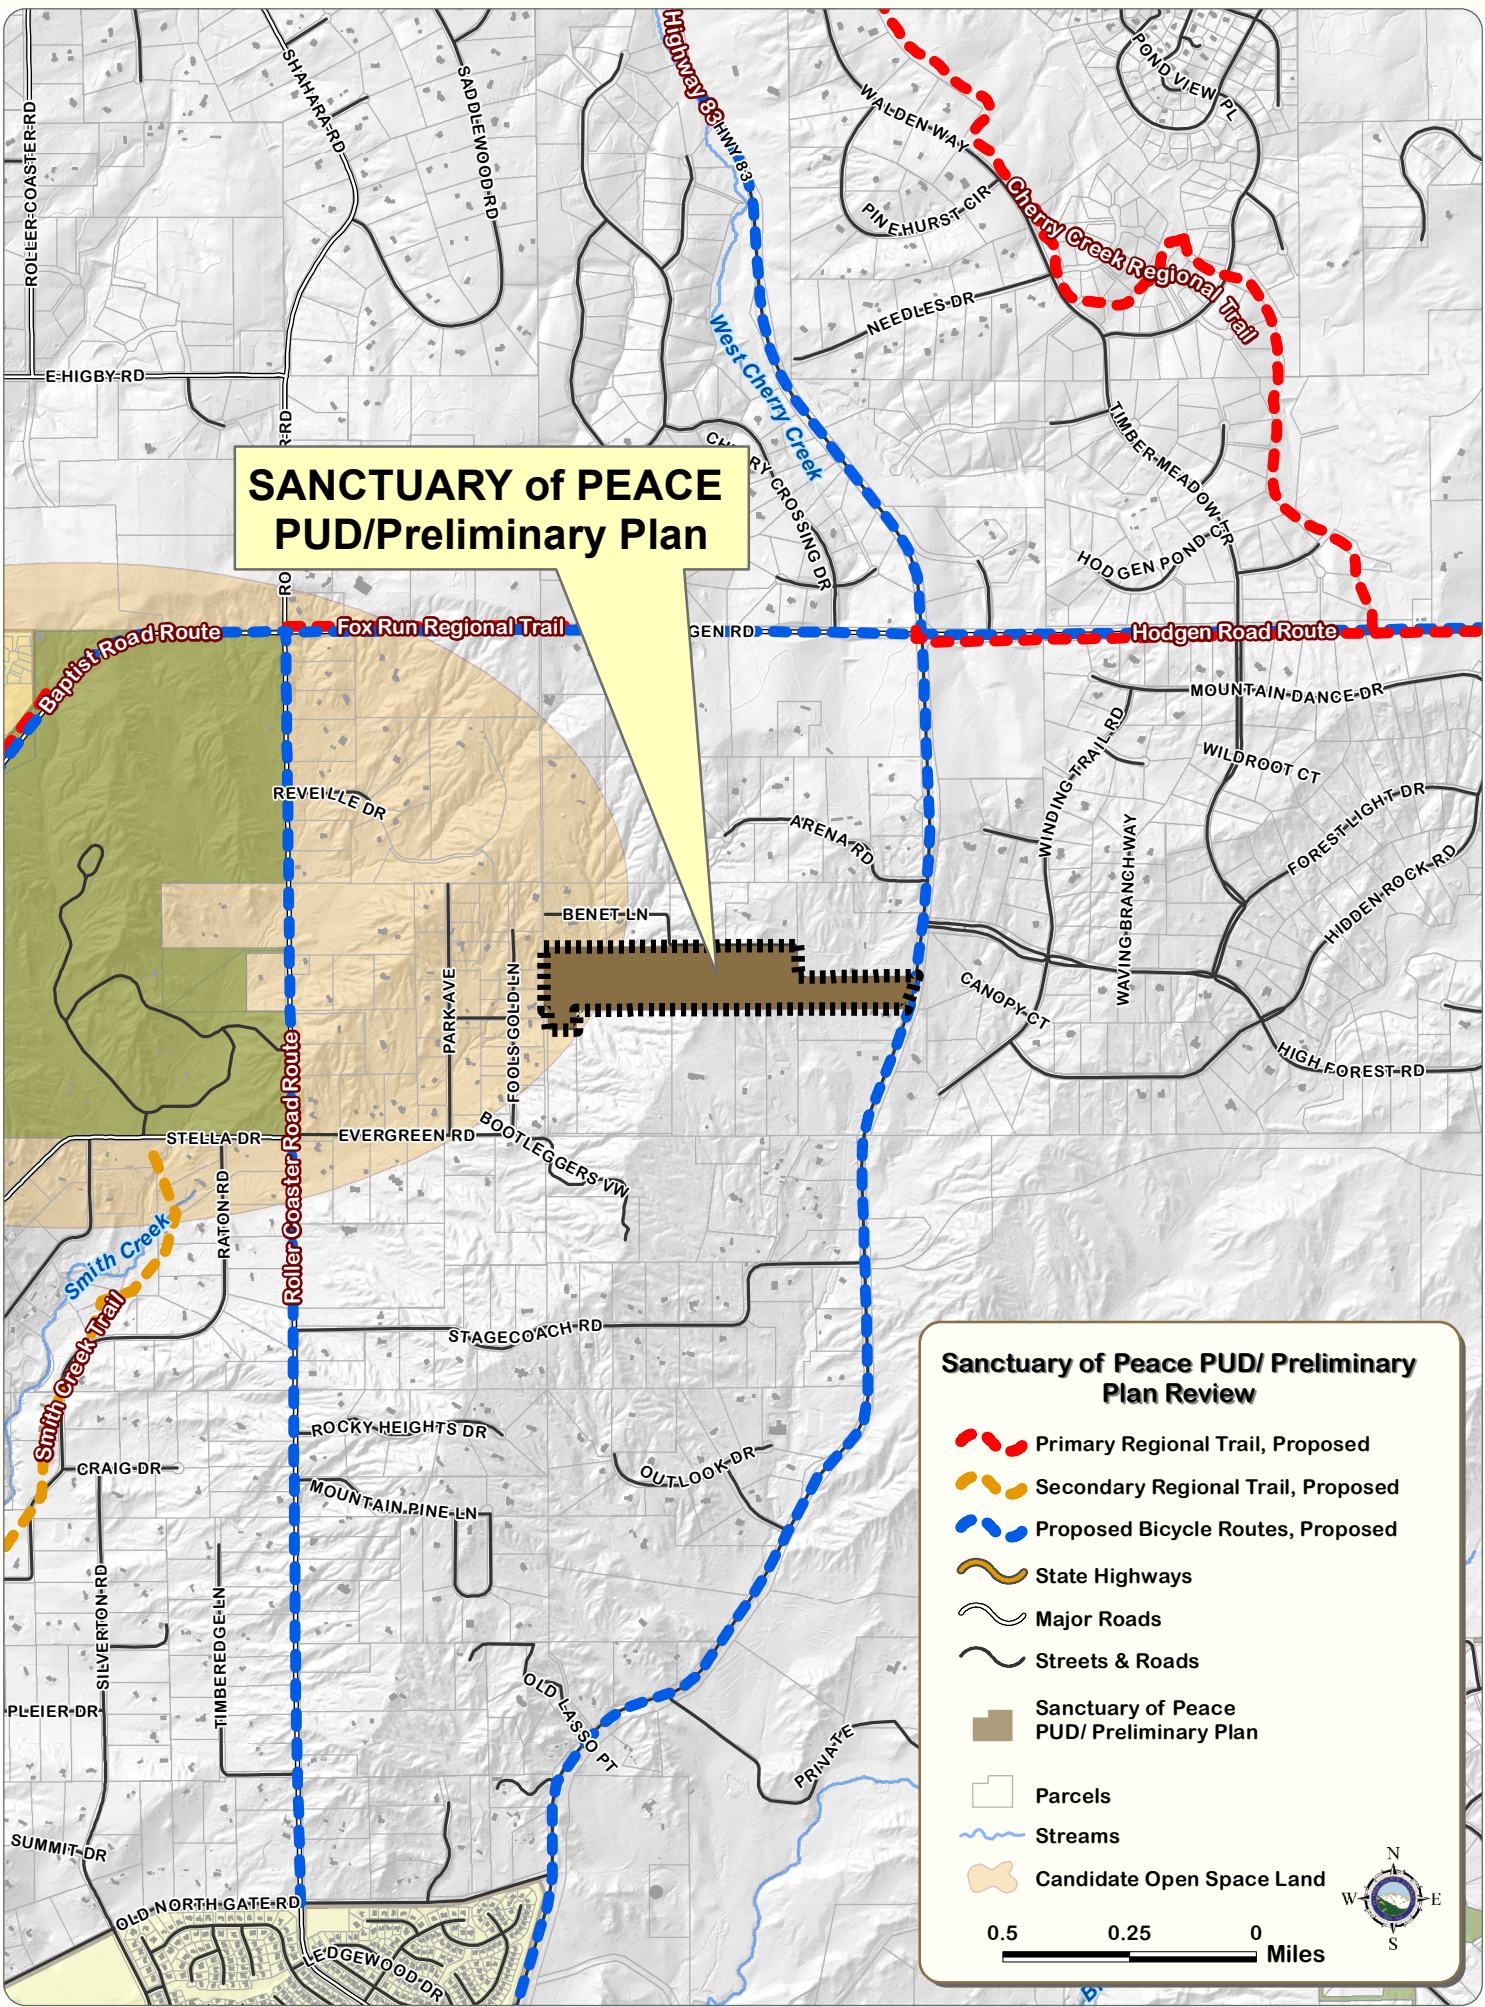

The applicant is resubmitted this PUDSP to show updated HOA documents. Parks and trails are not affected by this application. Regional and urban park fees remain the same as stated above.

Sincerely,
