Dear Mr. Kendall:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Walter Administrative Relief**

**Project Number: ADR 184**

**Description:** An administrative relief is being requested to allow a three (3) foot encroachment on the set back along the west property line to allow the construction of an addition to the home and garage at 1110 Becky Drive. This parcel is located south of Baptist Road and west of Roller Coaster Road in Section 29, Township 11 South, Range 66 West.

This area is within MVEA certificated service area. MVEA will continue to serve this area according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA has no objection with this administrative relief with the understanding that MVEA has existing facilities within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,
