### **EMPRISE Storage, CS-22-2**

**Please accept the following comments from El Paso County Public Health for the current zoning of RR-5 to CS commercial service:**

- **No El Paso County Public Health issues noted with the zone change request.**
- **The existing onsite wastewater treatment system (OWTS) was installed in 1988 for a 4-bedroom house; however, since the use will change from residential to commercial a Colorado Registered Professional Engineer must evaluate the OWTS for the change in use.**
