Subject: Falcon - CDOT Applications

Afternoon Art,

Here is our CDOT submittal for our Falcon Circle K project on US 24 & Meridian.

We are still pending signatures on the CDOT access Permit Applications for the change of use, for New Meridian & Old Meridian roads the county. These were provided the county to the county on November 24th, and we have followed up multiple times. We do not want to delay the submittal but are pending signatures from the appropriate county personnel to execute the applications.
