Georgia,

We got the posters at the end of the day yesterday. They want them in 4 locations. I have the invoice here. We will put them out tomorrow, check them twice and remove after the 13th. The pictures will be sent to the email provided by El Paso county and a copy to you as well. Your invoice with invoice number: INV-7954 is attached.

Please feel free to contact us if you have any additional questions.

Thanks,
Signarama of Colorado Springs
