Dear members of the board of county commissioners,

I know you have many letters and documents to read, so although I have a lot to say on this matter, this letter will be short.

Please say no to the rezoning of the acreage on Peyton Hwy from Agricultural to RVP. This project is so out of place in our rural neighborhood. I live directly across Peyton Highway from this acreage. If an RV park goes in there, it will change the character of this neighborhood and intrude upon everyone near it with noise, traffic and a cluttered view for us all. Please preserve our rural lifestyle.

Thank you for all the hard work you all do for our county.

Sincerely ,
Teresa Fields
