

Landscaping: Apart from a few dozen existing, mature trees on the property (see site map), no additional landscaping will be conducted. The property will remain otherwise as open space.

Please title as : Alternative Landscape plan

File Number: PPR249

-type of trees

(per your site plan i counted 116 tress)

Section 6.2.2

for non-residential uses only 5% of the property needs to be landscaped

- 5% of 14.66 acres = 0.733

-0.73 = 31,799 sq ft

-1 tree per 500 sq ft (code requirement = 64 trees

-you have roughly 115 trees on property

create a table that shows provided number vs required

-include that there is natural grass

-species include : buffalograss and blue grama
