District 49 Careers in Construction at Patriot Campus, PPR-18-054

Please accept the following comments from El Paso County Public Health for the project referenced above:

- The proposed building site is provided water and wastewater services by Woodmen Hills Metropolitan District.
- Earthmoving activity in excess of one acre, but less than twenty-five acres, requires a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information. This permit may not be required because the site was previously graded for the now removed portable classrooms.
