---

**7080 Shoup Road, AL-19-004**

**Please accept the following comments from El Paso County Public Health regarding the proposed rural home occupation and equipment storage yard:**

- **A record of an approved, permitted on-site wastewater treatment system (OWTS) for this property indicates the OWTS components are located on the south side of the house. Please make sure that the existing soil treatment area (STA) and a nearby equally sized STA replacement area remain protected from vehicular traffic and other means of damage by compaction.**
- **All maintenance waste, if any, or other waste generated from equipment maintenance such as fluids, batteries, oil or other such waste products must be stored, disposed, and/or recycled per existing local, state or federal regulations.**
