Subject: Meadowlake Industrial Park Preliminary Plan - (SP236)

Ryan,

The Park and Community Services Department has reviewed the Meadowlake Park Preliminary Plan and has the following comments of behalf of El Paso County Parks. This application and the following comments and recommendations will be presented to the Park Advisory Board for endorsement on November 8, 2023:

This is a request for endorsement by Vertex Consulting Services, on behalf of Meadowlake Development, for approval of the Meadowlake Industrial Park Preliminary Plan. This proposed industrial and commercial development consists of 27 lots on 51 acres. The site is zoned (limited industrial) and is currently vacant. The project site is located at the northwestern corner of Curtis Road and Falcon Highway.

The El Paso County Parks Master Plan shows two master-planned trail alignments in the area of the proposed industrial park. The proposed Judge Orr Regional Trail alignment runs north and south along the west side of Curtis Road. This trail alignment borders the east side of the proposed industrial park and would be impacted by the development. The proposed Curtis Road Bicycle Route alignment also runs north and south along Curtis Road. The proposed bicycle route would not be impacted by the development however because it will be accommodated within the public right-of-way of Curtis Road.

County Parks requests trail easements where development projects impact proposed County trails. As it pertains to this application, the County requests that the landowner provide a 25-foot public trail easement along the east side of the proposed industrial park bordering Curtis Road to allow for the construction and maintenance by El Paso County of a the Judge Orr Regional Trail, and this easement shall be shown and dedicated to El Paso County on the Final Plat.

No regional park fees are recommended, as the County has elected to not require park fees for commercial subdivisions.

Recommended Motion (Preliminary Plan):

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following condition when considering and / or approving the Meadowlake Industrial Park Preliminary Plan: (1) No regional park fees are recommended, as the County has elected to not require park fees for commercial subdivisions. (2) Designate and provide to El Paso County a 25-foot trail easement along the east side of the subject property, that allows for public access, as well as construction and maintenance by El Paso County of the Judge Orr Regional Trail.

Please feel free to contact me should you have any questions or concerns.

Sincerely,

Greg Stachon
