**RE: Agency Review Comments from EDARP – Lot 2 Elm Grove Villa**

**File No.: PPR-21-43**

Dear Mr. Reese,

Below are the 2nd round comments from reviewing agencies on the above referenced project along with our response in ***bold and italics***:

**PCD Engineering Division**

Minor comments remain. Submit signed/stamped engineering documents for final approval once all of Stormwater Teams' comments are resolved.

- Final Drainage Report Redlines
- Pond Operations and Maintenance Manual
- SDI Worksheet (required since the WQ only facility is an EDB)
- MS4 Post Construction Form
