Property Signs

Property:

Name: Smith Plumbing & Heating

Address: 1875 Main Street

Colorado Springs, CO 80911

No signs are being proposed on the site at this time. If the owner wishes to install signs in the future, a sign permit application will be submitted and will comply with updated sign regulations as amended at that time. No Master Sign Plan is needed at this time. In addition, no sign, except for those signs which do not require a sign permit, shall be erected, re-erected, relocated, replaced, expanded or altered, without first securing a sign permit from PCD.
