## Details

**Case Number:** CCM-2301399

**Case Type:** Contact My Commissioner

**Contact All Commissioners:** No

**Type of Submission:** Complaint

**Subject:** Rezoning and subdividing lot at 1825 Summit Drive

**Notes (Describe the issue for the Commissioner):** Purchasing large lots with space and a more rural atmosphere is what attracted us to this area. Rezoning and subdividing the lots will bring more traffic and congestion and will decrease public safety in the area. It will also cause increased stress on the water resources for the area. If this variance is allowed, it will probably lead to more requests to rezone and subdivide which will lead to degradation of the area.
