Dear Ms Bellamy,

Request the rezoning of 1825 Summit Drive (Public Hearing 16 March 2023) from 5 acres to two 2.5 acre lots NOT be approved. The Sun Hills development we live in is 5 acre lots. Granting this rezoning will set a dangerous precedent that could lead to more rezoning requests. In Sun Hills we are on wells. One additional well will lead to many others that will put a strain on the aquifers our wells draw from.

This rezoning only benefits one individual, but could adversely affect many.

Request rezoning to NOT be approved.

Thank you for your consideration.

Brett
