Hello,

This is Sarah Ostrem 719-235-6957. I would like to voice my concern and outrage over the ability to change a community's zoning laws at the mere request of a singular property owner.

This is a violation of other property owners and their good faith agreements to purchase 5 acres.

Why did these owner's not purchase property in a RR2 zoned neighborhood if this is what they wanted.

Please call me I would like to voice my concern and participate remotely in this meeting.
