Ms. Williams,

We vehemently oppose a subdivision of this lot.

We lived on "postage stamp" lots for 25 years and moved to SunHills because EVERYONE has to have 5 acres. No subdividing allowed.

We want to live with space between all of us to enjoy all that this area offers.

We understand the wants and rights of the owners. Subdivision is not the only option to having a mother-in-law home.

As we all know, Subdividing a lot only leads to second properties with individual sale options.

Please deny this request to subdivide this lot. Adding a "mother-in-law" home is not a reason to set a precedent to divide future lots and affect the rest of the property owners investments and enjoyment of the area we chose for this exact reason, Property size.
