Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- **The 7.22 acre park site is provided water by Widefield Water and Sanitation District.**
- **Earthmoving activity in excess of one acre, but less than twenty-five acres, requires a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.**
- **El Paso County Public Health encourages planned walk-ability of residential communities through the use of sidewalks, walking paths, and bike trails to neighborhood parks, schools and commercial areas. Walk-ability features promote exercise which helps reduce obesity and lower the risk of heart disease.**
