Agenda Item Summary Form

Agenda Item Title: Bent Grass West PUD Preliminary Plan (PUDSP-205)

Agenda Date: October 14, 2020

Agenda Item Number: #6 - C

Presenter: Jason Meyer, Planning Supervisor

Information: **Endorsement:** X

Background Information:

Request for approval by NES, Inc., on behalf of Challenger Homes, Inc., for Bent Grass West PUD Preliminary Plan. The site totals 67.01 acres and includes 262 single-family residential lots with a minimum lot size of 2,800 square feet on 38.07 acres, right-of-way dedications totaling 10.54 acres, and open space dedications totaling 18.40 acres. Zoned PUD, the site is located west of Falcon, northwest of the intersection of Woodmen Road and Meridian Road, and is located within the Falcon-Peyton Small Area Master Plan area.

The 2013 El Paso County Parks Master Plan shows the proposed Woodmen Hills Secondary Regional Trail trending north-south through the site along a drainage channel. Consistent with the master plan, the applicant is showing a trail along the drainage channel, however the 25-foot easement is only shown south of Bent Grass Meadows Drive. Staff requests the PUD Preliminary Plan drawings be revised to include the 25-foot trail easement north of Bent Grass Meadows Drive along the drainage channel. No other park, trails, or open space are impacted by this development, and the project site is not located within any candidate open space area.

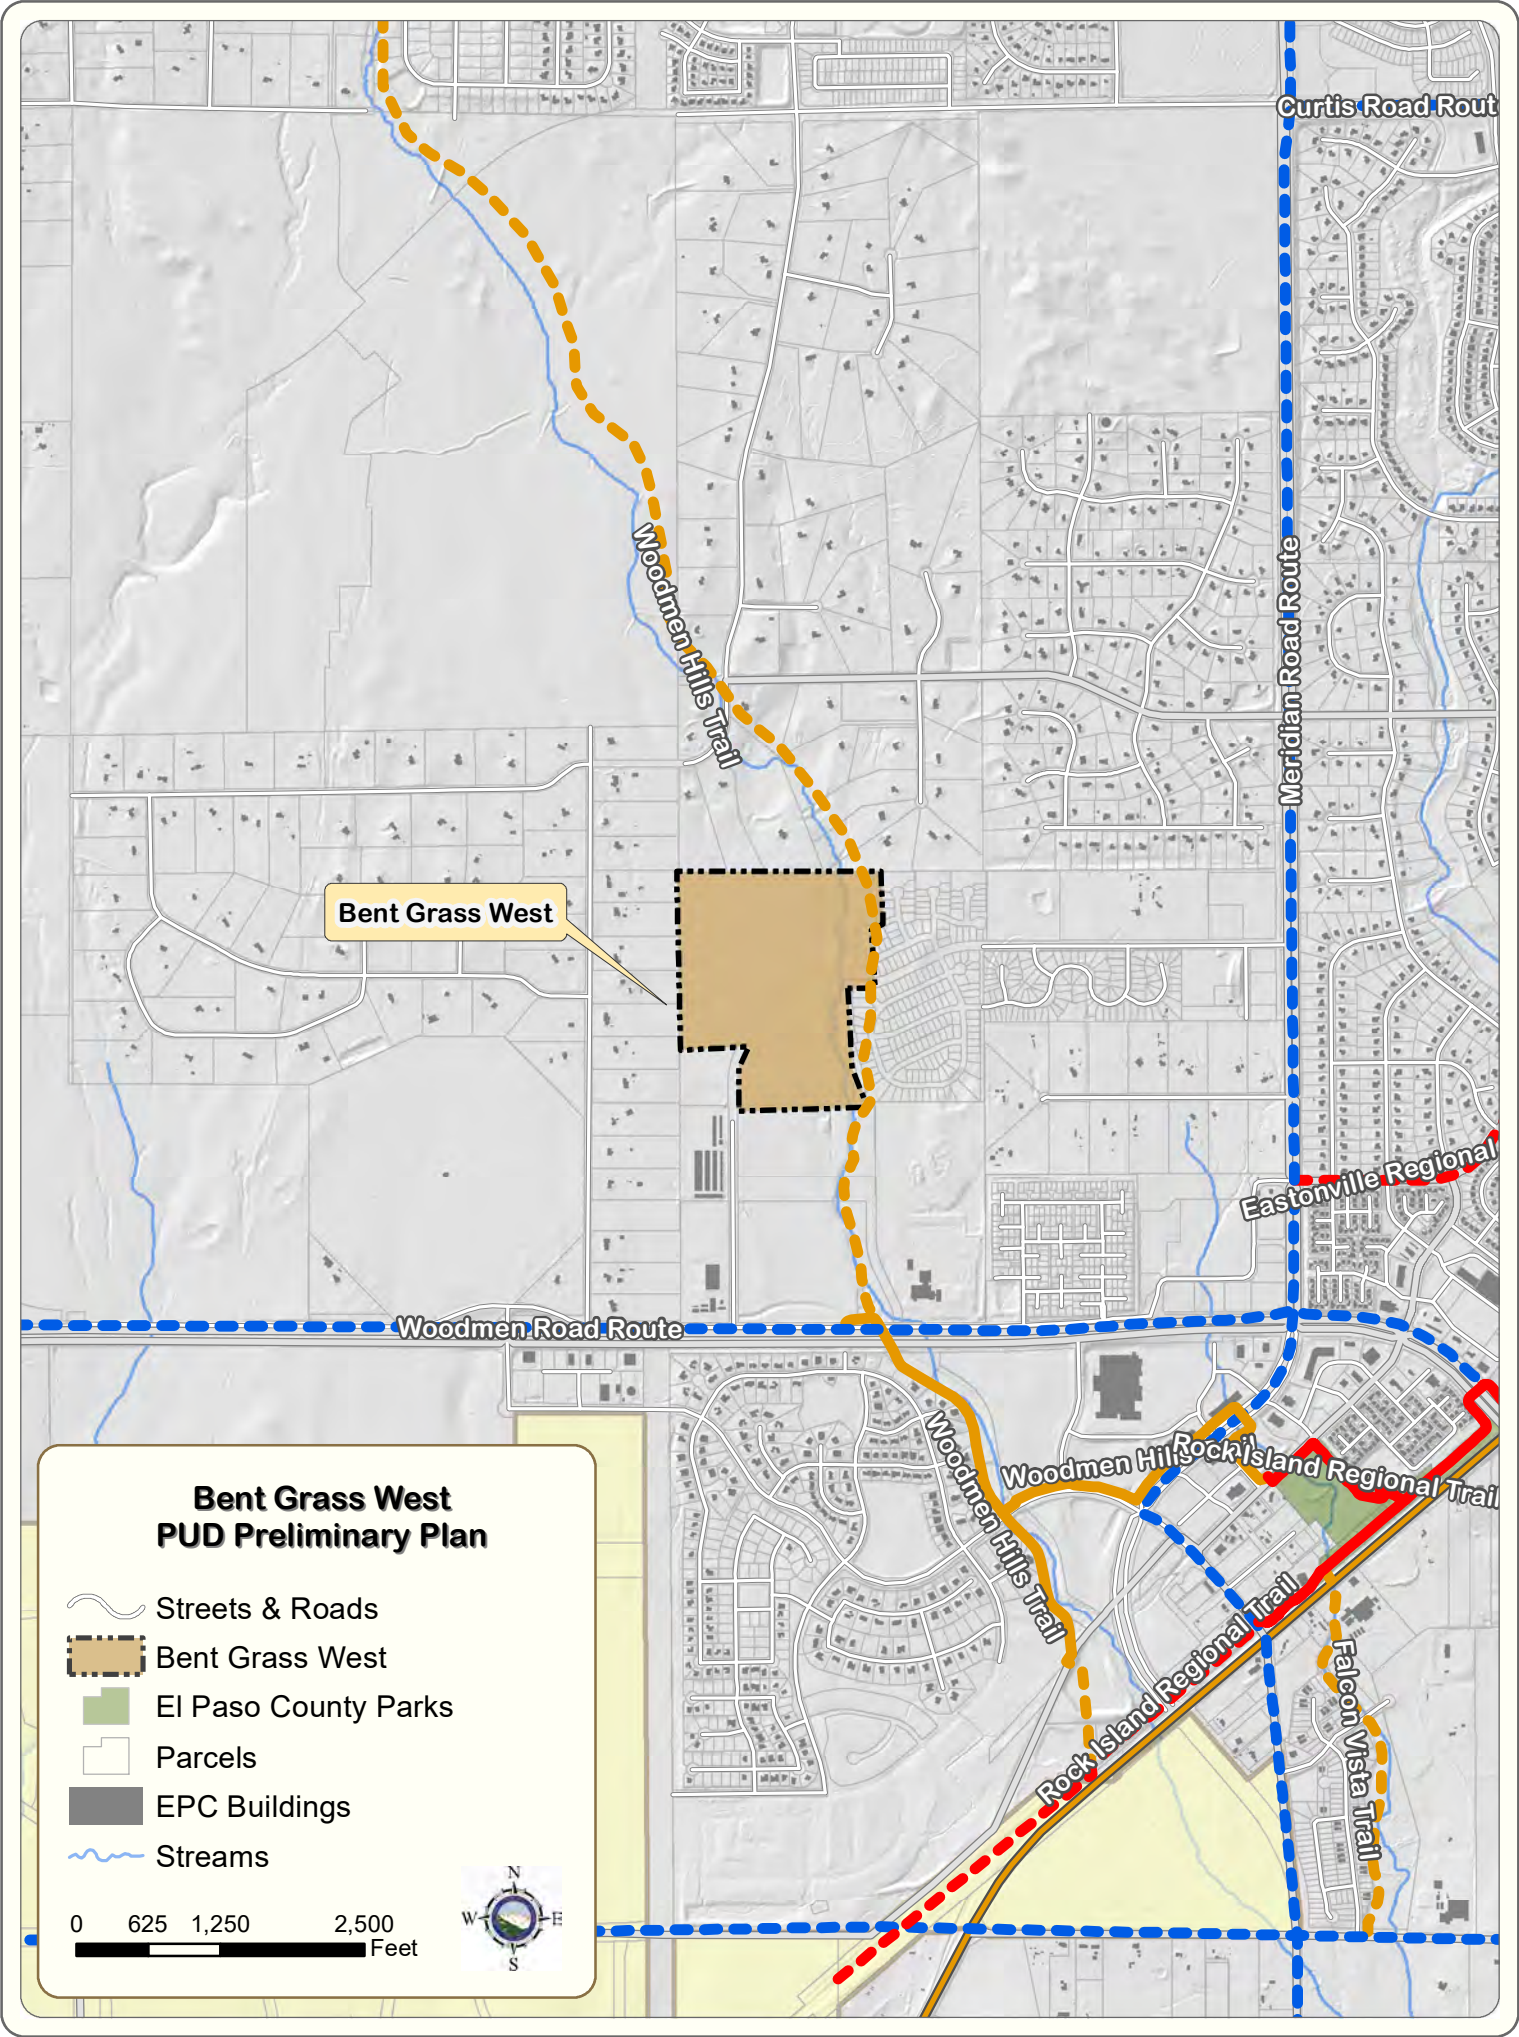

The PUD Preliminary plan includes seven tracts (A,C,D,E,F,G,K) dedicated for open space purposes which total 18.40 acres, or 25% of the overall site. This meets the 10% open space dedication requirement for PUD zoning and includes tracts along a drainage channel, floodplain, open space, and utility purposes. The open space allocation is consistent with the previously approved amendments for the overall Bent Grass development which were approved in 2007 and 2017.

Staff recommends fees in lieu of land for regional park purposes in the amount of \$122,354, and urban park fees in the amount of \$77,290. These fees will be due upon recording of future final plat(s). A park lands agreement may be an acceptable alternative to urban park fees provided the agreement is approved by the County and executed prior to recording of future final plat(s).

Recommended Motion (Bent Grass West PUD / Preliminary Plan):

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following conditions when considering and / or approving the Bent Grass West PUD Preliminary Plan: (1) Designate and provide to El Paso County a 25-foot trail easement along the proposed drainage channel through the entire site that allows for public access, as well as construction and maintenance by El Paso County of the Woodmen Hills

Secondary Regional Trail. (2) Require fees in lieu of land dedication for regional park purposes in the amount of \$122,354 and urban park fees in the amount of \$77,290 will be required at time of the recording of the final plat(s). A park lands agreement may be an acceptable alternative to urban park fees provided the agreement is approved by the County and executed prior to recording the final plat.
