Bartlett, VA-19-005

Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- There are no records of an onsite wastewater treatment system (OWTS) for the existing residence on the site; however, OWTS records were not required in El Paso County until March of 1966. The El Paso County Assessors Office indicates the residence was built in 1956.
- No public health issues noted with the variance of use request.
