Subject: Iron Ridge Final Plat Filing No. 1 SF2613

The El Paso County Environmental Division has completed its review of the Iron Ridge Final Plat Filing No. 1 SF2613. Our review consisted of the following items: wetlands, federally listed threatened or endangered species, general wildlife resources, migratory birds and noxious weeds.

1. General agency comments from the U.S. Army Corps of Engineers (USACE) or a completed USACE permit shall be provided to the Planning and Community Development Department prior to project commencement if ground-disturbing activities will occur in intermittent, perennial, or wetland aquatic resources. Documentation from the Colorado Water Quality Control Division (WQCD) shall be provided to the Planning and Community Development Department prior to project commencement if ground-disturbing activities will occur in state waters which are defined as “Any and all surface and subsurface waters which are contained in or flow in or through the state” (besides certain exclusions) C.R.S 25-8-103 (19). The applicant is hereby on notice that the USACE and WQCD have regulatory jurisdiction over wetlands and other aquatic resources. It is the applicant’s responsibility, and not El Paso County’s, to ensure compliance with all applicable laws and regulations, including, but not limited to, the Clean Water Act and Colorado House Bill 24-1379/Regulation 87.
2. Be advised that migratory birds and the nests and eggs of these species are protected under the Migratory Bird Treaty Act (MBTA). The applicant is advised to follow the recommendations in the Natural Features Report dated July 21, 2025 in order to avoid possible violations of the MBTA. The applicant is hereby on notice that the U.S. Fish and Wildlife Service has regulatory jurisdiction over migratory bird species. It is the applicant’s responsibility, and not El Paso County’s, to ensure compliance with all applicable laws and regulations, including but not limited to the MBTA.
3. A Noxious Weed Management Plan shall be provided to the Planning and Community Development Department. It is the applicant’s responsibility, and not El Paso County’s, to ensure compliance with all applicable laws and regulations, including but not limited to the Colorado Noxious Weed Act and the El Paso County Weed Management Plan.

The applicant must obtain the necessary approvals from all federal, state and county agencies as a part of their planning process.
