Dear Mr. Howser:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Cherokee TDS Reduction Project**

**Project Number: PPR 2044**

**Description:** Cherokee Metropolitan District is requesting approval for Site Plans to improve the treatment process at an existing water reclamation facility located at 19144-19234 Drennan Road. This improvement will consist of adding three new buildings, process equipment and modifying existing basins. The facility is located south of Highway 94 and east of Milne Road in Section 08, Township 15 South, Range 63 West.

This area is within MVEA certificated service area. MVEA continues to serve this location according to our extension policy. Information concerning connection requirements, fees and service upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA has existing facilities near and within this location. If there is any removal or relocation of facilities it will be at the expense of the applicant and a review of easements will be required.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee  
Engineering Administrative Assistant
