Re: File Number: SP-17-009

Dear Mr. Sevigny:

Colorado Parks and Wildlife (CPW) is in receipt of the above referenced permit application and is familiar with the site. Based both on the location and type of action that is proposed CPW believes impacts to the wildlife resource to be negligible. We appreciate being given the opportunity to comment. Please feel free to contact District Wildlife Manager, Adam Gerstenberger, should you have any questions or require additional information at 719-227-5282 or via email at adam.gerstenberger@state.co.us.

Sincerely,

Frank McGee
Area Wildlife Manager
