Hi Aaron!

I will go ahead and revoke the exemption. Please note that if you intend to use the structure for your business, you will need to contact a Planner to amend your site development plan.

Thanks!

Good Morning Mindy,

I spoke with Ms. Rita there and she mentioned your my contact for a project I am working on. I recently built a barn under ag exemption. I have changed my mind on how I would like to use it, and would like to start the process of revoking the ag exempt and permitting it appropriately to be a small store for my business.

Aaron
